As of this time, I certify that I hold a current and valid drivers license. If for any reason my license becomes invalid, I will notify the Prescott Airport Administration and shall immediately relinquish my airfield driver credential badge. Furthermore, my airfield driver credential badge remains the property of the City of Prescott Airport (PRC), is issued for my use as long as I have an operational need to drive on the movement areas of the airport. The airfield driver credential badge is not transferable to any other individual. PRC has the right to revoke the authorization of individuals with airfield driver credential badges where such action is determined to be in the best interest of the airport.

I have read and understand the individual responsibilities outlined above, and will comply with all PRC policies and regulations.
